

Accessing Home Learning @ The Gainsborough Academy

All subjects will be using google classroom to share lesson resources and links to live lessons. Each year group has its own google classroom where all subjects will post lesson for each day following the students in school timetables.

What is google classroom?

Google classroom is simple an online resource where teachers can create a virtual classroom area where they can share and publish lessons, and manage any resources and student work easily.

Logging on to google classroom

Students need to use their Gainsborough academy google accounts to access the google classroom. Follow the steps below to login and access remote learning.

1. Go to classroom.google.com and click Go to Classroom or download the google classroom app on your phone or tablet
2. Enter the email address for your child's school google account and click Next Enter your password and click Next.
3. Click on the home learning course for the year group your child is in.

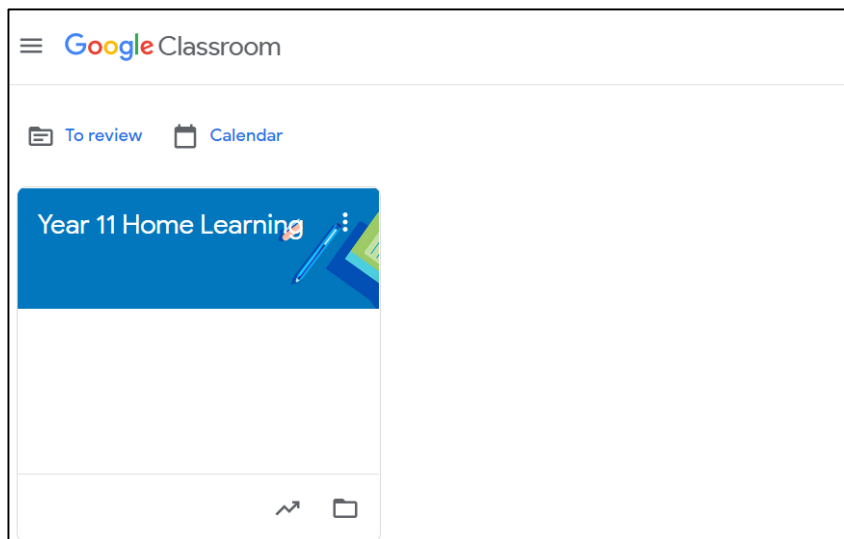

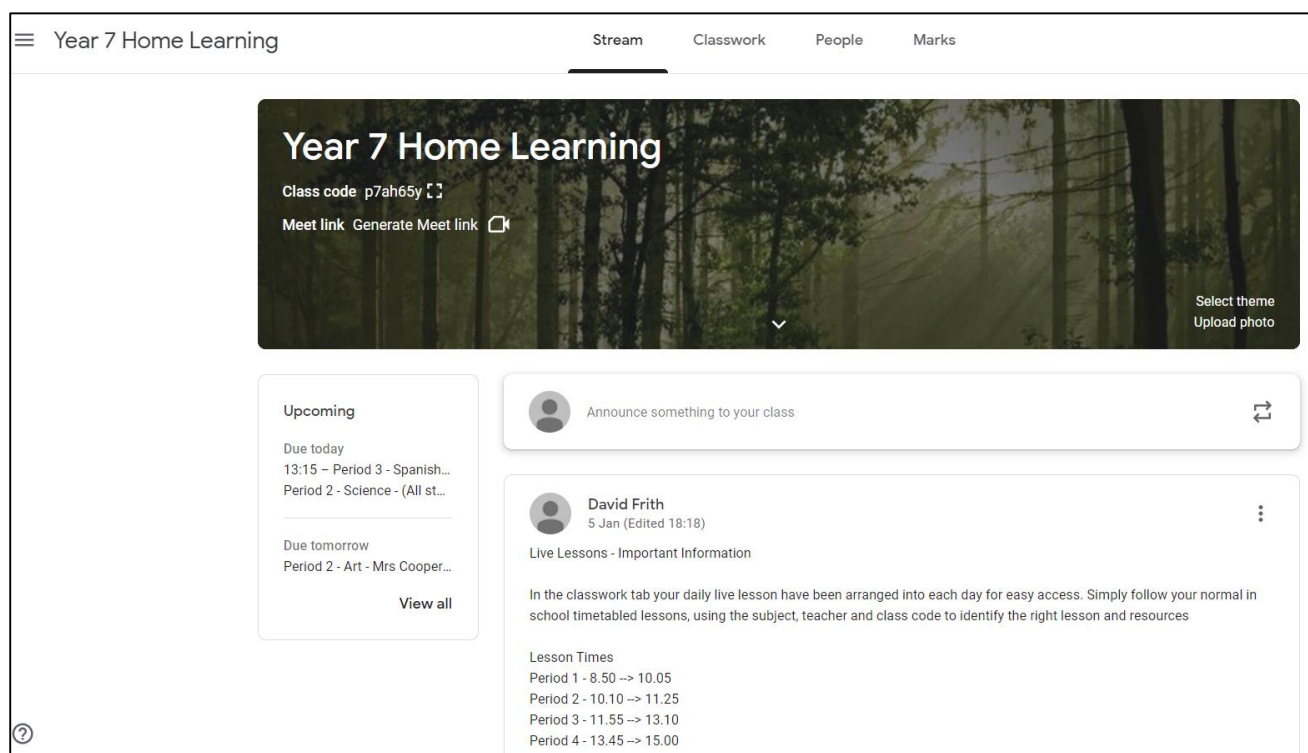

Figure 1 - Example of the what it would look like for a Year 11 student once they have logged into google classroom

How does my child access their lessons?

Once you have logged in to the correct year group home learning classroom you will see the following screen (year 7 example). This is the classroom stream and is where students can find key information and important announcements.

By clicking on the classwork tab at the top of the page you will be taken to the lesson resources for all subjects.

Each subject/teacher will place their lessons and resources in the classwork tab under the correct date and will label it so students can identify the correct lesson. Students should follow their timetabled lessons each day.

There may be more than 1 lesson on each period, so students need to access the correct subject, teacher and group.

Please note that some lessons may be set up for more than 1 group.

Stream	Classwork	People	Marks
Wednesday 6th January			
	Period 1 - English - Mr Hutton		Posted 08:47
	Period 1 - English - Miss Greaves		Posted 08:40
	Period 1 - English - Mr Plaskett		Edited 09:17
	Period 2 - Science - (All students)		Due Today
	Period 3 - history Mr Stephenson/Brown 7a1...		Edited 06:55
	Period 3 PSHE/SE Mrs Burgin 7eSe3		Posted 08:33
	Period 3 - Mr Miller's Spanish group - Week ...		Due 8 Jan
	Period 3 - Spanish - Miss Hoggarth - Lingua...		Due 13:15
	Period 4 Maths Mr Wilson (7a/ma1) - Expand...		Posted 11:30

Clicking on the appropriate lesson will open the lesson folder. Here you can find more instructions from the class teacher, links to the live video meeting and resources for the lesson.

Period 2 - Science - (All students) Due Today

Please join the google meet below at the start of the lesson at 10am. Remember to mute and turn off your camera straight away.
The lesson will be recorded but will not be published.

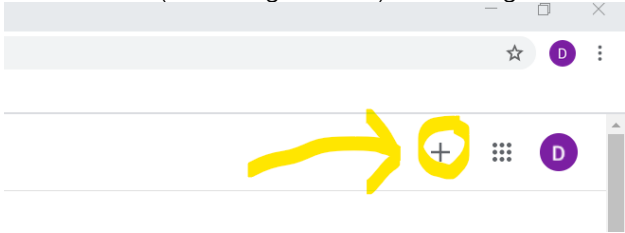

During the lesson your science teacher will direct you to the complete the resources attached below. Please DO NOT complete the quiz before the lesson.

	Progress Mini Quiz 1 Google Forms		Class video meeting https://meet.google.com/ty...
	Independent Task - Hot ... Google Forms		Physics - Energy - Heat ... YouTube video 2 minutes

Commonly Asked Questions

Problems	Suggested Solution																														
I can't remember my school google username or password	Please contact the school by email admin@thegainsboroughacademy.org.uk																														
When I sign in to google classroom the year group home learning course isn't there.	<p>Please make sure that you are accessing using the students school google account.</p> <p>Once you have logged in and access google classroom you can manually add a course by clicking on the plus (+) sign in the top right hand corner (see image below) and using the correct codes below.</p>  <p>Course Codes Year 7 – p7ah65y Year 8 – y2p5okf Year 9 – ydttg4t Year 10 – nv2yct5 Year 11 - ynzxacy</p>																														
The timetabled lessons are not set for the day.	Lessons are being added all the time. It might be that the member of staff hasn't set the lesson yet and will be adding it later in the day. Some lessons are also scheduled to become visible at a set time to prevent students accessing the resources before the lesson.
