Dear Parent / Carer

RE: Y11 Parental Consultation Evening – Thursday 30 January

We are delighted to invite you to the Year Y11 Parental Consultation Evening on Thursday 30 January

Subject teachers will be running 5-minute appointments between 3:30pm and 6:25pm. These will be face-to-face meetings at The Gainsborough Academy.

This is a great opportunity for you and your child's subject teachers to discuss:

- The mock exam results which were taken just before Christmas
- Predicted Grades for students final GCSE's
- What students can do to improve between now and the final exams

You can book an appointment, either by calling school reception, or by asking your child to book an appointment with their teachers on your behalf. Students have space in their planners where they are able to which to record appointment times. Form tutors will be dedicating time in each tutor time to remind students to make appointments. Please speak with your child about what time you will be able to attend.

We believe that working in partnership with parents, teachers, and students is essential for success in education and as such we strongly encourage you to attend these meetings as it will provide you with valuable insight into your child's effort, attainment and development.

At the evening we also hope to have some post 16 destinations join us who will be running stalls throughout the evening giving you opportunity to ask any questions about possible courses or establishments for next year.

We look forward to welcoming you here at The Gainsborough Academy on Thursday 30th January

Yours sincerely

Miss S Carton
